CARE

217 SOUTH CHURCH STREET

The After School Child Care Program at First United Methodist Church of Salisbury was established in 1990 to provide quality care for students in kindergarten through fifth grade. The program provides a structured environment to support spiritual, emotional, physical, intellectual, and creative development with a service to others component.

Every effort is made to place each child in a safe environment for nurturing as well as to attend to their unique and particular needs. Children receive a healthy snack, time for staff assistance with homework, devotions, and engaging developmental activities.

ADMISSIONS/ENROLLMENT

We accept children from kindergarten through fifth grade. A waiting list is kept for filling vacancies as they become available. Members of First United Methodist Church are given first priority.

A completed application with a \$25 per child non-refundable registration fee is to be submitted for enrollment. Parents will receive an acceptance letter and calendar for the year during the required parent conference.

REQUIREMENTS

This program follows the Safe Sanctuary Policy of First United Methodist Church which requires a minimum of two adults to be present during all children and youth activities. The After-School Child Care Program is also governed by an appointed board which is responsible for overseeing curriculum, personnel, operations, and budget.

TUITION

The cost of the program is \$165 per month for one child and \$320 for two children. Tuition reflects monthly enrollment regardless of the number of days attended. This includes snacks and transportation. Tuition payment can be paid once a month, due on the 5th, or bi-monthly, due on the 5th and 15th of the month. Additional fees are charged for half or full-day care during holidays and teacher work days. These days provide a variety of exciting activities that children enjoy.

THE PURPOSE OF THE AFTER-SCHOOL CHILD CARE PROGRAM IS TO PROVIDE A SAFE, NURTURING ENVIRONMENT WITH A CHRISTIAN EMPHASIS OFFERING BIBLICAL VALUES, STORIES, AND EXPERIENTIAL LEARNING.
